REVELATION (Patented) Evans City

INTRODUCED 1939

REVELATION, the dark rose pink sport of Briarcliff, was introduced last season and is decidedly popular with the growers who purchased it last season, and is particularly liked by the wholesale and retail trade. It is a large, showy flower, long pointed bud, with long, heavy stems, splendid dark green foliage, and **REALLY A CLASSY ROSE.**

Its growing habits are all that can be desired.

It is fragrant and an extra good keeper and shipper.

It is a better producer than Briarcliff or Better Times.

The color is almost as dark as a good Hollywood, with more brilliancy. This Rose is not in the same color class as Briarcliff, but would be classed under medium dark pinks rather than medium light pink, as is Briarcliff.

It is very uniform in color and retains its color during dark weather.
